

Membership Application Form

The Organic Dairy & Pastoral Group is a group of farmers who see a positive future for organic farmers and their customers. We are continuously exploring all opportunities that help and support farmers of NZ. We also see ourselves as a lobby group to industry and support businesses, as without such a common voice, farmers concerns are often never heard

We welcome and encourage anyone interested in organic pastoral farming.

I / we the undersigned wish to apply to become a member of **ODPG Inc**

Please fill out Application Form below and send to : Jane Pike
